Raising The Bar For ELKDOM

EXALTED RULER

The Station of Fidelity

*Renee
Kaiser*

Brothers and Sisters,

As I am preparing to close this chapter of service as your Exalted Ruler, I find myself filled not with sadness, but with gratitude and pride. What an honor it has been to stand beside each of you who embody the true spirit of Elksdom: charity, fellowship, and unwavering commitment to our community.

Over the past year, we have grown together. We've celebrated victories, tackled challenges, and strengthened the bonds that make our Lodge a place where people feel welcome, valued, and inspired. None of our progress happened because of one person. It happened because of us, a Lodge that Raises the Bar and shows up, steps up, and lifts up.

As we are transitioning into new leadership, I want to offer this assurance: our

Lodge is in strong, capable hands. Change is not an ending; it is a continuation of the work we all believe in. Each new leader brings fresh energy, new ideas, and a renewed sense of purpose. I encourage you to support them with the same enthusiasm, patience, and heart you have shown me.

To the officers stepping forward, thank you for accepting the call. Lead boldly, listen openly, and never forget that the strength of this Lodge comes from the members who fill it with life.

Thank you for supporting me, challenging me, and reminding me what it truly means to be an Elk. Serving as your Exalted Ruler has been one of the greatest privileges of my life.

I may be passing the gavel, but I'm not going anywhere. I look forward to continuing to serve, support, and celebrate with all of you as we start Digging Deeper into Elksdom!

Raising The Bar For Elksdom,
Renee Kaiser

Wurm

It is the end of the year for the Huntington Beach Elks, and as members, each of us should be proud of what our Lodge has accomplished during the 2025-2026 year. We have overcome changes, made advancements for lodge improvements, and welcomed hundreds of new members into our Order. We have continued to support community programs through charitable donations and have opened our doors to that same community for organized events that unite us in brotherly love. We have approached obstacles with grace, and have challenged ourselves to "Raise the Bar" with new ideas and collaborative efforts.

March closes out our year at full speed, so remind one another to take the time to appreciate the little things. Reflect on the reasons that keep you grounded in the Order, share a new perspective, and renew your interest in getting involved. Seasons change, and Leadership rotates, but the idea of "Raising the Bar for Elkdom" doesn't have to stop just because the year is ending. Let it continue to spark a passion for your experience as an Elk.

Charity Highlights - Because of the generosity of our members and their guests, the Huntington Beach Elks were able to support the following community programs last month: (6) Most Valuable Student Scholarships awarded to local high school seniors, BackCountry Heroes grant to support a Youth Hunting program, funding support for a local elementary school's newly developed Sensory Garden. We love to see your donations in action, and we thank you for continuing to support our Charitable Work within our community!

This month we will see our Officers perform their last Initiation Ritual in their current roles. When you hear our dialogue, I hope you really listen to message behind the words. I hope it ignites a fire in your hearts to hold on tightly to those

Be Charitable to all Mankind,
Alex Wurm, Esteemed Leading Knight

Dear Brothers and Sisters

It is the beginning of a new Elk year, new faces in familiar places; Most you already know and are continuing on. Please rely upon them and ask them questions that you may have in this coming year.

We welcome winter, finally, and already miss the warm weather of January. Please know that the Lodge always is there for you and will always be a second home or "living room". We have a place to come to and meet with our friends, tell stories and share the camaraderie. I hope this never changes as we move on in life.

If you find yourself wondering what to do and don't have an answer, come over to 1959. Find out what's going on and maybe lend a hand.

We have several events coming in this month and more as we get closer to Spring. I will be here for many of those as they are a great place to eat, drink, and have fun with your Elk family.

It has been an honor to be an officer here and look forward to the future with Elks.

Let's raise the bar to Elkdom.

Sincerely

Roy Hodak

Well, it's time for me to move to the station of the Esteemed Loyal Knight, the station of Justice.

As I close out my 1st year as an officer, I want to extend my most sincere appreciation to all of the fantastic volunteers that helped make, not only my events, but also the other Officer's Events and Lodge events. I have learned a great deal about the Order of Elks and even more about our fantastic HB 1959 Lodge and the people that keep it together. What a GREAT group you ALL are!

Thanks again for making this a smooth year for me!

LODGE COMMITTEES

Cinderellas

Cinderellas had their monthly meeting on February 2nd. After the lodge's calendar meeting in January, we received the dates for two events the Cinderellas host. The first is our Tea Party. This year's date is April 18th and the theme is Rock Around the Clock. The second event is our Fashion Show. This is scheduled for October 17th. The theme is Denim and Diamonds. These are two fun events that raise funds for our lodge. Mark your calendars!

Other business discussed at the meeting were new officers for next year's board. We have great candidates we will approve at our next meeting.

Our next meeting is scheduled for March 2nd at 6:00 pm. Until then, be safe, be happy and have fun.

Alice Moore
President

March is here, and with it comes longer days, fresh northwest swell, and the unmistakable energy of spring building along our beautiful Huntington shoreline. The Huntington Beach Elks Surf Club is gearing up for spring, with great waves, lodge events, and plenty of opportunities for members to get involved.

As proud members of the Huntington Beach Elks Lodge No. 1959, we remain committed to community service, veteran, active military and youth support, while promoting healthy outdoor recreation. Giving back is part of what makes our surf club special. As we move deeper into spring, planning begins for summer events. This is the time of year when momentum builds—both in the water and within our club. March is about preparation, connection, and stoke. Commitment, comradery, dedication to community, the heart of Elkdom, and passion for surfing is what makes the Huntington Beach Elks Surf Club thrive.

This month we would like to welcome new member Ian Dominelli to the Surf Club. If you see Ian around the lodge, throw him a big shaka.

If you are interested in joining or checking out the Surf Club, we meet the second Thursday of each month at 6:30PM or you can contact us at Elksurfclub@yahoo.com.

See you in the line up or around the Lodge,

Gus Santos
Surf Club Captain

Regular Surf Club meetings will commence in February.

Happy Surfing,
Gus Santos
Surf Club Captain

Hi! I'm Holly the bar lead at the lodge. I'm super excited and can't wait to pour you some great drinks. Stop by and say hello and let's cheers to new beginnings.

CAMPING CLUB

Hello Campers,

With officer nominations in full swing for the coming 2026-2027 year, February took us to Vail Lake and we had a blast. Vail has a large mountain biking trail system as well as tracks for RC Cars. Several of our members enjoyed running their cars there. So fun. Others played games and shared tons of laughs. Great times!

March has us going to Paso Robles, and April is Pala Casino.

If you are interested in our club, please come as our guest and see what we are all about. Applications for future campouts are pinned to the bulletin board in the bar of the lodge. You are always welcome to find me around the lodge as well to answer any question you may have.

Happy Trails,
Jay Howard
Wagonmaster

Honoring Our Flag, Our Veterans, and Our Community

March is a meaningful month for the Americanism Committee at Huntington Beach Elks Lodge #1959—a time to reflect on our deep commitment to patriotism, service, and honoring those who have defended our freedoms. As Elks, Americanism is not just a program—it is a promise to uphold the values of our nation and pass them on to future generations.

Throughout the year, and especially as we move into spring, our Americanism efforts continue to bring our lodge and community together. From flag ceremonies and patriotic observances to honoring our veterans and first responders, our members proudly stand in service to those who have sacrificed so much for our country.

March also serves as a reminder of the importance of civic responsibility and community engagement. Through our Americanism programs, we educate, inspire, and lead by example—whether it's presenting colors, supporting local ceremonies, participating in community parades, or hosting meaningful tributes that unite generations.

The success of the Americanism Committee is made possible by the dedication of our volunteers. Your time, passion, and respect for our nation's traditions ensure these programs continue to thrive and remain impactful. We invite all members to get involved, attend upcoming events, and share in the pride of representing the Elks in our community.

Thank you for your continued commitment to Americanism and for helping keep the spirit of patriotism strong at Huntington Beach Elks Lodge #1959.

God Bless America.

Americanism Chairs,

Diana Sullivan

The Huntington Beach Elks Lodge is a private fraternal organization and to prove yourself an Elk, you must exhibit your membership card. Please renew on time and remember that our Officers, Staff, and Volunteers have a duty to help ensure that access to our Club Facilities is reserved for Members in good standing and their guests only.

House Rule #4: "The entry doors of the Lodge building will be closed at all times. Any person requesting admittance to the Club facilities shall be challenged and asked to show their current Membership Card. If they do not have a current Membership Card, they shall be asked to pay their dues or leave the Lodge without obtaining any services for themselves or guests..."

LODGE HAPPENINGS

Sunday, March 1, 8:30am

Breakfast At The Lodge

It's our Sunday breakfast! Doors open at 8:30 AM, service runs until 11:00 AM, the cost is \$12.00. Enjoy a huge breakfast buffet with make-to-order omelets, scrambled eggs, eggs-your-way, biscuits, hash browns, sausages, bacon, fruit and more. Mimosas are just \$3.00. Bar is open! It is a feast meant for a King! Guests are welcome! Member Candidates too!

Sunday, March 8, 1:30pm
Line Dancing

Doors swing open at 1:30 PM, and the dancing kicks off at 2:00 PM, rolling straight through until around 6:00 PM (or until y'all can't shuffle another step!). Whether you're a seasoned two-stepper or just looking to have some good ol' fashioned fun, this is your chance to laugh, dance, and boot-scoot with friends. Grab your hat, bring your energy, and let's turn the lodge floor into the liveliest honky-tonk in Huntington Beach!

Sunday, March 29, 1:30pm

Children's Easter Party

Our party is for under privileged students from Oak View Elementary School. Elk members are invited to bring their children or grandchildren to enjoy the party. If you bring family members, please let Anna Carson know how many will be attending so we can reserve a place for everyone. Our age range is from toddlers to 11 years old. We will have food, games, Easter Egg Hunt, goodies and the Easter Bunny.

I am looking for volunteers to help set up and clean up (Men and Women). Helping with setting up tables and chairs (about 8:30 am), games, decorating the tables and the dining room for the egg hunt and assisting the kids with the games. No special skills required. If you can volunteer that morning or have questions, please contact Anna Carson at lopfive@yahoo.com.
